- 3) Your financial institution will authenticate the transaction with the security code that you entered. If you have not yet registered with 3D secure payment (“Verified by Visa” for VISA, “SecureCode” for MASTERCARD, and “J/Secure” for JCB) you will need to activate this function first, by either visiting the card issuer’s website or by creating a password when prompted during the checkout process, for example, as follows:

**MasterCard. SecureCode.** **EC CHINABANK**  
www.chinabank.gr Since 1999

**Activation During Shopping Service**

Step 1. Enter the following information to confirm your identity

ID Number

Date of Birth yyyy/mm/dd

Card Expiry Date yyyy/mm
